

***Welcome To
Bethel Missionary
Baptist Church***

Spruce Pine NC

Sunday, July 12, 2015

Senior Pastor Dr. Darrin Waldroup

**O LORD, how manifold are thy works!
In wisdom hast thou made them all- Psalm 104:24**

“Welcome to the Lord’s House”
Building Relationships that will last for Eternity
Announcements for July 12, 2015

The land we call America is quite large, one of the largest nations in the world, with abundant natural resources. The climate is most agreeable. Although varying from place to place, all sections are livable and productive. Lots of oil, natural gas, and coal have been discovered here, which have fueled our industrialized economy. And there is grandeur in the scenery from mountain majesty to pounding waves.

Native people living here melded with a rich diversity of immigrants into the American people, renowned for their work ethic and burning desire to carve out a good life for themselves and their children.

Perhaps above all, those who forged our nation's documents and laws were God-fearing people, with a basic *Christian* outlook on life, morals, and government, which set the course for maintaining the freedoms we now take for granted.

Consider the charter of our nation, The Declaration of Independence, where it can be read that "all men are created equal . . . endowed by their Creator with certain inalienable rights." We acknowledged the truthfulness of the Bible and the authority of the Creator over His creation. These concepts were applied to the legislative process, the judicial system, and standards for life.

Applying the basic freedom of religion, Christianity has flourished, with no one in America being denied access to the truths of the gospel. Obeying the great commission, America has become a missionary nation, sending the Good News around the world. God has blessed this obedience and allowed our freedoms to continue. Even though we see the Christian mindset floundering, our nation retains incredible liberties and is the envy of the world.

This is a great blessing. But remember, with such blessing comes the responsibility to choose wisely. -John Morris

Bethel Christian Academy

www.BethelChristianAcademy.org

Tell me about the expansion/ addition project on the Austin Center at BCA.

The Austin Center is used for AWANA on Wednesday nights. For over 3 years there are some classes that must move to the Educational Building at the church. In other words, God has blessed the AWANA program to outgrow the facility. The Austin Center is also the home of Bethel Christian Academy. BCA has also been blessed of God to outgrow the facility and we have stepped out on faith and are praying for the completion of this much needed project. This addition will give us 2000 square feet of new classroom space. Praise the Lord!

Are your teachers degreed professionals?

Yes, BCA requires Classroom Teachers to be degreed professionals. It is preferred that Assistant Teachers are degreed.

Do you test students with Standardized Testing?

Students who are new to our school typically undergo a placement exam, which is just one component in determining which courses are the best "fit" for each individual student. In addition, each student (K-12) is given the nationally standardized Iowa Test of Basic Skills as an end-of-the-year exam, which helps to measure individual student's growth.

Is it possible to graduate from Bethel Christian Academy?

Yes, Bethel Christian Academy offers several different diploma tracks that are specific to our individual students and best suited to their academic course of study and future plans. A student may choose the university graduation pathway which meets the NC university system graduation requirements OR a student may choose the technical graduation pathway which prepares the student for a two year technical/ community college. BCA also offers dual enrollment to High School Juniors and Seniors at Mayland Community College.

Is Bethel Christian Academy a member of any other organizations?

Yes, Bethel Christian Academy is a member of the North Carolina Christian School Association and the American Association of Christian Schools. The North Carolina Christian School Association www.nccsa.org. The American Association of Christian Schools www.aacs.org

Bethel Christian Academy seeks to provide an atmosphere of learning for students, parents, and staff that promotes the teachings of our Lord and Saviour, Jesus Christ. We believe this environment is conducive for individuals to flourish and build a foundation that will support superior academics. These studies are required in order to excel in the marketplace, higher education, or contribute to the society in which we live.

The eternal value of exposing all who are involved in this school system cannot be measured, nor can the desire of Bethel Christian Academy to provide instruction based on the Word of God be measured in human terms.
